Deployment of App	

Note: Timelines are subject to change with any change in the functionality described or any addition to this work. Also, the above describes the effort in man hours that will be required. The actual duration of the project will be communicated when the project schedule is drawn up and resource allocation is done with leaves/holidays factored in.

5. Project Assumptions

- Content and images will be provided by the client
- Logo will be designed by us
- Data entry will be done by the client
- The estimates provided in this document are valid for 3 months
- iOS and Android application will be compatible with the devices such as iOS 8 to iOS 10(iPhone 5, 5s, 5c, 6, 6s & 7)

6. Project Risks

As of now, we don't see any risk associated with the website development. One of the risks that can be foreseen in the project delivery could be a delay in feedback or items required from client end.

7. Project Team

We have combined the best professionals available to deliver products that are best suited to your needs. Our team consists of young dynamic professionals who are highly educated, focused, committed and dedicated to meet the increasing requirements of our wide range of clients across the globe.

Resource	Responsibility
Delivery Head	In Time Delivery
Project Manger	Project Management
Team Leader	Technical coordinator & Advisor
Developers	Coding
Designers	Designing
Quality Analysts	Testing

8. Feedback clause

Full communication will be maintained with the client at all times throughout the above project. In this regard, it will be incumbent upon the client as well as Ameba Softwares to ensure that reply to an email is made within 24 hours on working days i.e. from Monday to Friday. Week ends and holidays would not be calculated. Ameba Softwares will not be held responsible for any delays that are caused to the deliverables and project schedule by any communication lag between the client and us, arising out of delay at client end.

9. Acceptance

This offer is subject to change. If the above proposal is acceptable to you, please initial each page of this document and sign below.
